General Manager

During my Time as manager I have overseen all aspects of the club from general building works during the construction, equipment ordering, initial club set up and implementation of all processes including sales and health and safety.

General responsibilities include:

1. designing and promoting activities to meet customer demand and generate revenue;
2. advertising and promoting the club or center to increase usage, which may include commissioning and considering market research;
3. maintaining high levels of customer care, often with a particular focus on avoiding loss of existing users;
4. prioritizing target activities and user groups (especially in local area);
5. managing maintenance, insurance, repairs and cleaning;
6. recruiting, training and supervising staff, including managing staff rotas;
7. carrying out health and safety checks on the equipment and site;
8. handling complaints and incidents, e.g. accidents, emergencies or theft;
9. preparing and checking budgets and generating income;
10. cashing-up and keeping stock records;
11. purchasing equipment and supplies;
